

CEORD-DL-MS (200-1c)

24 September 1992

MEMORANDUM FOR Commander, Huntington District; ATTN: CEORH-CD *9/30*

SUBJECT: Plum Brook Ordnance Works, Site meeting

The NASA Lewis Research Center (LeRC) has requested that we meet with them to discuss the HTRW Project located at the old Plum Brook Ordnance Works Site. The meeting has been scheduled for 08:30 on 9 October 1992 at the Engineering Building at the Plum Brook Site. Request that a representative from your office attend the subject meeting.

Robert J. Selders
