RE: OEPA DISTRICT POINTS OF CONTACT  
FOR FORMERLY USED DEFENSE  
SITES (FUDS)

Dear Mr. Mello:

Per your request, here is a list of the Ohio EPA district points of contact (POCs) for FUDs in Ohio. So that you will know how what district covers each FUDs site, I have also attached a map that shows what counties are included in each district. Since these sites are not currently covered under the DSMOA, Ohio EPA has not assigned individual state site coordinators for each FUDs facility. Therefore, please direct all applicable FUDs submittals to the respective individuals listed below:

Ohio EPA, CDO

In order to include these sites in the DSMOA, I will need to know if the Department of Defense has any FUDs activities that they would want Ohio EPA oversight on during the period from January 1994 through December 1995. For such sites, we will need projected restoration budgets and any schedule information you may have. We would also like a complete listing of all Ohio FUDs sites and their current status for our files. Please also include any sites currently under evaluation for FUD designation. You can send this information to me at the above address.

Thank you for your assistance. If you have any questions, please contact me at (513)285-6469.

Sincerely,

Bonnie B. Buthker
