

## MEMORANDUM

To: Plum Brook Ordnance Works RAB Members

From: Helen Owens, International Consultants, Inc.

Date: September 18, 2000

Subject: RAB Meeting Schedule

Dear RAB Members:

This memo is to notify you of a change in the RAB Meeting schedule. At the last meeting, which was held in May, a meeting date of September 27 was scheduled. At the present time, the available data on the remediation activities at the site does not warrant a RAB meeting. Therefore, the meeting has been scheduled for Wednesday, December 6, 2000. Should you have any questions regarding the change in the meeting schedule, please contact Mark Bohne (RAB Co-Chair) at (419) 499-2667 or Rick Meadows (USACE RAB Co-Chair) at (304) 529-5388.

A meeting notice will be distributed in late November to remind you of the December meeting.

Thank You,  
International Consultants, Inc.
