Dear Mrs. Kingsley:

This is in response to your January 2, 2007, letter concerning the assignment of project management responsibilities at Plum Brook Ordnance Works (PBOW) and a possible determination that someone other than the Department of Defense (DoD) may be responsible for cleanup. I have attached a copy of your letter for reference.

Rather than repeating the same information, I am enclosing a copy of my response, dated February 1, 2007, to Mr. Mark Bohne who raised the same concerns in his letter to me, dated December 29, 2006.

Should you have additional concerns related to cleanup of PBOW, please do not hesitate to contact me.

Sincerely

BRUCE A. BERWICK
Brigadier General, U.S. Army
Division Engineer
