- Rick Meadows and Mark Bohne opened the meeting by welcoming the attendees to the first meeting of the RAB in 2000. Rick introduced Captain John Osborn from the Huntington District USACE, as the newest member of the Restoration Advisory Board.
- The meeting agenda was revised to include additional topics. A copy of the revised agenda is provided as an attachment to the minutes.
- Becky Terry and Doug Mullendore, Nashville District, USACE presented the project schedule for 2000. Three contracts were awarded for this year, and there is carryover work to be completed for TNT Area B and the Redwater Ponds Area. The kick-off meeting for the new work is scheduled for June 20, 2000 and the sampling activities will be conducted in the July-August timeframe. A copy of the presentation material is provided as an attachment to the minutes.
- USACE Nashville District and IT Corp. will be conducting a site walkover for the Ecological Risk Assessment (ERA) during the week of June 26-30, 2000. The ERA walkover is to evaluate the habitat, biodiversity, and stress areas within the boundaries of PBOW. Mr. John Blakeman, of the RAB, plans to participate in the site walkover. If anyone is interested in participating or observing the ERA, please contact Rick Meadows at (304) 529-5388 or e-mail [rickme@LRH.USACE.army.mil](mailto:rickme@LRH.USACE.army.mil).
