

PLUM BROOK ORDNANCE WORKS
Restoration Advisory Board

RAB Meeting

Wednesday, September 5, 2001
At 6:00 p.m.

Site visit at Plum Brook Station

AGENDA

The site visit will include a brief discussion of the current groundwater investigation and the location of the wells.

All RAB Members and visitors to the PBOW site must be listed with the site security office. If you plan to participate in the site visit, please contact USACE at 800-822-8413 or contact Helen Owens at (937) 252-0341 (email howens@intlconsinc.com).

If you have questions regarding the meeting, please contact
USACE at 1-800-822-8413
