Plum Brook Ordnance Works Restoration Advisory Board (RAB) Site Visit

Thursday September 9, 2010 at 4:00 p.m.

A Site Visit will be held at the former Plum Brook Ordnance Works (PBOW) located at 6100 Columbus Avenue in Sandusky, Ohio. The Site Visit will include visits to the USACE Huntington and Nashville District's active project areas, including TNT Area C remediation efforts.

If you plan to participate in the site visit, you are required to sign up no later than Friday September 3, 2010. You may sign up by contacting Ms. Helen Owens via telephone at (216) 857-5526 or email at howens@TMGServicesUSA.com.

Individuals participating in the site visit are required to be United States citizens and must provide photo identification to access the PBOW site. Visitors are to assemble in the gravel parking area behind the security office. The site visit activities will begin promptly at 4:00 p.m. and are expected to finish at approximately 6:00 p.m.

Questions regarding the site visit may be directed to the PBOW Project Manager, Mr. Rick Meadows at (304) 399-5388, Ms. Lisa Humphreys at (304) 399-5953 or Ms. Owens at (216) 857-5526.

All RAB meetings are open to the public.

If you have questions regarding the meeting, please contact
US Army Corps of Engineers at 800-822-8413
