**Submittal of TNT Preliminary Draft Proposed Plans and Decision Documents
For TNT Area A, TNT Area C, and the Red Water Pond Areas
Former Plum Brook Ordnance Works, Sandusky, Ohio
Contract Number DACA62-00-D-0002; Shaw Project Number 807111**

Dear Mrs. Ingram:

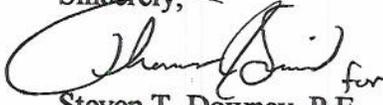

In accordance with the requirements of Delivery Orders 002, 003, and 004 of Contract Number DACA62-00-D-002, Shaw Environmental, Inc., is pleased to submit Preliminary Draft Proposed Plans and Decision Documents for TNT Area A, TNT Area C, and the Red Water Pond Areas on the Former Plum Brook Ordnance Works located in Sandusky, Ohio. These were prepared in response to your August 4, 2005 email.

Enclosed are two (2) hard copies each of the respective documents. Also enclosed are electronic working files of all text, tables, and figures on CD-ROM for each of these 6 documents as well as electronic copies of the respective reports in PDF format. One CD-ROM is provided for each Site Area. As you requested, the working files of the TNT Area B Decision Document and Proposed Plan (Submitted March 2005) are provided on a fourth CD-ROM.

These documents reflect the investigation, evaluation, and remedial actions associated with soil, surface water and sediment. Overburden and bedrock groundwater will need to be included in these documents once the evaluation of groundwater is complete. References to groundwater information that will need to be inserted or revised are highlighted. These documents have been prepared in accordance with EPA guidance and include the incorporation, as appropriate, of responses to comments received from the Nashville and Huntington Districts on the TNT Area B Preliminary Draft Proposed Plan and Decision Document.

Should you have any questions or require additional information regarding this submittal, please do not hesitate to call me at (865) 694-7496.

Sincerely,

Steven T. Downey, P.E.
Project Manager
