**Submittal of TNT Area C Preliminary Draft Proposed Plan
and Decision Document
Former Plum Brook Ordnance Works, Sandusky, Ohio
Contract Number DACA62-00-D-0002; Shaw Project Number 807111**

Dear Mrs. Ingram:

In accordance with the requirements of Delivery Order 003 of Contract Number DACA62-00-D-002, Shaw Environmental, Inc., is pleased to submit a Preliminary Draft Proposed Plan and Decision Document for TNT Area C, Former Plum Brook Ordnance Works located in Sandusky, Ohio.

Enclosed are two (2) copies each of the respective documents. These documents reflect the investigation, evaluation, and remedial actions associated with soil, surface water and sediment. Overburden and bedrock groundwater will need to be included in these documents once the evaluation of groundwater is complete. References to groundwater information that will need to be inserted or revised are highlighted. These documents have been prepared in accordance with EPA guidance and include the incorporation of responses to comments received from the Nashville and Huntington Districts on the TNT Area B Preliminary Draft Proposed Plan and Decision Document.

Should you have any questions or require additional information regarding this submittal, please do not hesitate to call me at (865) 694-7496.

Sincerely,

Steven T. Downey, P.E.
Project Manager
