Subject: Submission of the Final Limited Site Investigation Report and the Quality Assurance Project Plan for the TNT Rail Car Loading Area, both dated July 2000 for the Plum Brook Ordnance Works Project, Sandusky, Ohio, DERP-FUDS HTRW Project No. G05OH001816.

Mr. Ron Nabors
Ohio Environmental Protection Agency
Northwest District Office
347 North Dunbridge
Bowling Green, Ohio 43402

Dear Mr. Nabors:

Enclosed for your files are two copies of the Final Limited Site Investigation Report and the Quality Assurance Project Plan for the TNT Rail Car Loading Area (dated July 2000) for the Plum Brook Ordnance Works Site, located in Sandusky, Ohio. A copy of each document has been sent directly to Mrs. Laurie Moore Eggert in the Ohio EPA Southwest District Office.

Should you have any questions or require additional information regarding this submittal, please call me at (304) 529-5388.

Sincerely,

Richard L. Meadows
Project Manager
