MEMORANDUM FOR Commander, Louisville District; ATTN: CELRL-DL-B  
(Doug Meadors) 600 Martin Luther King Drive, Louisville, KY  
40201-0059

SUBJECT: Submission of Review Comments on the Draft Report for the Limited Site Investigation for the Waste Water Treatment Plants Numbers 1 & 3, dated September 1999, for the Plum Brook Ordnance Works Project.

1. The subject document has been reviewed by the Environmental and Remediation Section (CELRH-EC-CE). The formal comments are enclosed.
2. Formal responses to these comments, as well as those comments submitted by Ohio EPA and NASA, are to be made to the Huntington District NLT 15 November 1999. These responses will then be forwarded to the appropriate agencies at that time. Once all comments (i.e., USACE, Ohio EPA, and NASA) have been made, formally responded to, approved by Ohio EPA and NASA and incorporated, 10 copies of the final report shall be submitted to the Huntington District. At that time, the final reports shall be transmitted by the Huntington District to the appropriate agencies and also incorporated into the PBOW Administrative Record.
3. Should you have any questions or require additional information regarding this submittal, please call me at (304) 529-5388.

Sincerely,

A handwritten signature in cursive script that reads "Richard L. Meadows".
