Dear Ms. McClanahan:

Yesterday, we sent you 4 copies of the draft Work Plans for the Baseline Human Health Risk Assessment and the Screening Level Ecological Risk Assessment for the TNT Area A to Waste Water Treatment Plant 1 Sewer Lines Remedial Investigations at the Former Plum Brook Ordnance Works (PBOW) located in Sandusky, Ohio. Unfortunately, the wrong covers were printed out and we did not notice this error until this morning.

Enclosed are four copies of replacement covers for both the front and the spine of the binders. Replacements have also been sent to those on the distribution list. Please insert these into the Work Plans document dated October 20, 2009 by the transmittal letter immediately inside the binder. (Note that the cover sent yesterday is mistakenly dated "August 2009" and is for the Waste Water Treatment Plants 1 and 3 and Ash Pits 1 and 3.)

We regret this inconvenience. Should you have any questions or require additional information, please do not hesitate to contact me at (865) 694-7496.

Sincerely,

Steven T. Downey, PE, PMP  
Project Manager
