Dear Ms. Ingram:

The Ohio Environmental Protection Agency (Ohio EPA), Division of Emergency and Remedial Response (DERR), has reviewed the "Baseline Human Health Risk Assessment of Groundwater Work Plan." This document was submitted to the Ohio EPA, by Shaw Environmental, Inc. (Shaw) on behalf of the U.S. Army Corps of Engineers on October 6, 2005, for review and comments.

The Ohio EPA, has completed its review and is satisfied that all previous comments have been addressed by Shaw. The Ohio EPA has no further comments regarding this document and finds it acceptable.

If you have any questions or concerns regarding this correspondence please feel free to contact me at 419-373-3147.

Sincerely,

Ron Nabors
Site Coordinator
Division of Emergency and Remedial Response
Northwest District Office
