Mr. Walt Perro, Project Manager
U.S. Army Engineer Division, Huntsville
106 Wynn Drive
Huntsville, AL 35805-1957

Project: Feasibility Study
Dolly Sods Wilderness Area
Davis, WV
Contract DACA 87-90-D-0018

Subject: Final Work Plan and
Health & Safety Plan

Dear Mr. Perro:

Please find enclosed six (6) copies of the final Work Plan and Health & Safety Plan for your approval. Copies of this submittal were sent to HQ, USACE, U.S. Army Engineer District, Huntington, and 549th Ordnance Detachment.

Review comments of M&E's June 21 draft submittal were received from the following reviewers:

<i>Reviewer</i>	<i>Department</i>	<i>Location</i>
Britton/Ruther	Site Dev. & Geotech	ACOE, Huntsville, AL
Jim Ferris	Safety	ACOE, Huntsville, AL
Frank Albert	Civil Engineer	ACOE, Huntington, WV
Brenda Warren	Safety	ACOE, Huntington, WV
Nancy Feakes	District Ranger	U.S.D.A., Petersburg, WV
Peter Costello	Site Invest. & Response	State of WV, Charleston, WV

The draft plans were revised to address the accepted comments. Metcalf & Eddy's responses to each of the reviewer's comments are attached.

M&E and UXB International are still scheduled to start the field work on July 29. The base camp and facilities will be set up on the 29th and 30th and the surface investigations will begin August 1.

Mr. Walt Perro, Project Manager

-2-

Based on our conversation of July 16, the project schedule has been revised to have the subsurface investigations begin on September 3. To accommodate this revised schedule, it will be necessary to have some of the subsurface areas selected and approved prior to completing surface investigation work.

We look forward to working with you on these investigations. Please contact me if you have any questions or require any additional information.

Very truly yours,

METCALF & EDDY, INC.

William F. Mooney, P.E.
Project Manager
