Mr. Benjamin Backus
Administration Officer
Monongahela National Forest
PO Box 1548
Elkins, West Virginia 26241-1548

Dear Mr. Backus:

The Dolly Sods Wilderness Area has been approved for a remedial investigation/feasibility study (RI/FS) for decontamination of ordnance and explosive waste.

Notification will be sent to you prior to commencement of the RI/FS.

If you have any questions please contact Mr. Frank Albert at the above address or by calling (304) 529-5194.

Sincerely,

Charles E. Vandavelde
Chief, Engineering Division
