Ordnance and Technical Programs Division

SUBJECT: Defense Environmental Restoration Program -  
Formerly Used Defense Sites (DERP-FUDS); Final  
Engineering Report on the Extent of Ordnance  
Contamination at the Former West Virginia Maneuver  
Area, Davis, West Virginia

Nancy R. F. Feakes, District Ranger  
U.S. Department of Agriculture  
Forest Service  
Potomac Ranger District  
Route 3, Box 240  
Petersburg, West Virginia 26847

Dear Ms. Feakes:

Enclosed for your information is a copy of the subject document. This report provides specific details on the ordnance operations conducted this past summer within the Dolly Sods Wilderness Area. The report also provides conclusions and recommendations for further actions within Dolly Sods.

If you so desire, we would like to meet with you, at your convenience, to discuss the report recommendations since some of the recommendations may not coincide with Forest Service policies in regards to wilderness areas.

The assistance provided by your staff during the course of our contractor's field activities is greatly appreciated. This assistance allowed our contractor to finish on schedule and within budget.

For your information, we are providing a copy of the subject report to the Office of the Mayor of the City of Petersburg per his request. We are also providing a copy of the report to the State of West Virginia Hazardous Waste Management Program.
