Paul:

Per our telephone conversation on this date, please find enclosed a copy of the draft Dolly Sods work plan. The work plan is for ordnance removal in the Dolly Sods wilderness area. If you have comments on the work plan, please let me know and we will address them in the Final Work Plan.

We are hoping to get the contractor started in early October so he may clear at least the Red Creek Trail before bad weather sets in for the winter. If you have any questions, please call me at (304) 529-5388 or FAX (304) 529-5591.
