LeAnn,

As per our conversation last week, I would like the attached public meeting notice to be printed in the Inter Mountain on May 21, 2004. I would like to appear the way it does in the attached document and approximately the same size as the attached document (if it is not exactly please scale it to fit 2 columns wide by 6 columns long as per our conversation).

The contact person who will be handling the billing will be Dan Stark (304-399-5363)

The cost estimate that was given to me last week was \$10.15/column inch, to create a total of \$121.80. You may contact Dan at any point and arrange payment, just mention that it is for the Dolly Sods Public Meeting he will pay you via Visa Card.

I would also like to request that once the notice has been published, the Inter Mountain send a published copy of the notice to me at the address listed in the signature block below. Thank you very much for your help on this project.

THANKS!
Becky Bixby
