Subject: Onsite Disposal of Explosive

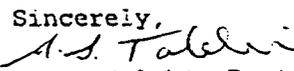

**Re.: Dolly Sods Wilderness Area
Davis, West Virginia**

Dear Mr. Henderson:

This letter is in response to your letter dated March 5, 1991 addressed to the Mr. Edward Hamrick, director of Department of Natural Resources. Prior to the onsite disposal of explosives an emergency hazardous waste management permit is required. In order for this office to issue an emergency permit for onsite disposal of explosives at the above referenced facility an application requesting such permit must be submitted to this office.

Enclosed please find a copy of the outline for preparation of an emergency permit application.

If you should have any questions, please feel free to contact me at (304) 348-5393 or write to the above address.

Sincerely,

A. S. Taicbi, Engineer
Hazardous Waste Management Program
