Subject: Concurrence for No Further Action (NFA) for three West Virginia Maneuver Areas

Richard,

In response to your letter dated August 26, 2013 and received August 30, 2013 requesting concurrence with the NFA determination for three WVMA sites in Randolph, Tucker, and Grant Counties. These sites were described in the letter as project number G03WV001306 Ammunition Depot, project number G03WV001307, Jennings Training Area, and project number G03WV001309 Bearden Knob Firing Range.

Based upon our review of the information provided and the presentation and review of the sites at the July 30, 2013 TPP meeting we concur that No Further Action is warranted for these three sites.

If additional assistance is required please contact me at 304-926-0499 x 1130. Email: Charles.W.Armstead@WV.GOV

Sincerely,

Charles W. Armstead
